Streets, New York, N.Y.

Dear Sirs:

Answering yours of the 22nd
instant relative to furnishing you one
of the badges that was used at the last
Congress, S. A. R., last week in this
city, would say that we are very short
of badges, but if I find that we have any
left over after we have met previous
worthy requests, I will try to send you
one.

Yours very truly,

Herbert H. White
